Wedding gowns can inspire an exquisite take on cake.

This one's wrapped in gossamer-thin fondant resembling vintage lace, and decorated with sugar ribbons and brooches.

Tahitian vanilla cake filled with chocolate-coconut and passion-lime creams, iced with fondant and decorated with confectionary lace, ribbon and sugar gems. Serves 150. \$2,500, by Ron Ben-Israel Cakes. "Porcelain" plates, \$3 each, from Crate & Barrel.
